To the Presidents of
The Small Feds NBOs

18th July 2011

Dear Friends,

It's a pleasure for us to invite you to the 4th edition of the EBL Small Federations Games, which will be held in San Marino, from 13th to 16th September 2011.

After the success achieved by the first editions, Monaco 2007, Vilnius 2009, Ptuj 2010, due to the enthusiasm of our colleagues from the Small Feds Committee, but also to the will of each of you to organize and to participate, this event has found its own space in the world of the EBL Championships.

We want to thank the Federation of San Marino, and particularly Fiorenzo Fiorini, for the efforts done in organizing these Games, and we are sure that the organizers will be gratified by a massive attendance. We will be proud to be in San Marino and meet the representatives of the EBL Small Federations.

Sincerely,

Yves AUBRY,
EBL President

Jean-Charles ALLAVENA,
EBL Small Feds Committee Chairman
